

Directions

Take Bobby Jones Expressway (520) to Wheeler Rd. Go West to the first intersection (about 200 yards) and turn right onto Perimeter Parkway. Follow the road around less than half a mile and you'll see the Doubletree Hotel. The next building after the hotel is a three story office building called the Augusta Corporate Center. We are in the lobby as soon as you come in the front door. If you have any trouble, call 706-821-6000
